Love The Air You Breathe...

## 120 YEARS OF HISTORY

Designed in 1898 to purify the air in hospitals, the small catalytic lamp created by pharmacy dispenser Maurice Berger, quickly became very popular with the public and very well-known designers from across the world.

The Lampe Berger is a functional and attractive accessory which has spanned over the years, purifying indoor air and adding an elegant touch to every home.

*Maurice Berger's successors decided to continue to embellish indoor air and developed new rituals with candles, scented bouquets and many more!*
